

Please reject the NAB's Petition 04-160. I am an avid listener of XM radio. I pay for my service and it should not be up to the NAB to dictate what I am permitted to hear. XM radio is the best purchase I have made in the last year, it provides a variety and quality that I am unable to access anywhere else. It saves me from flipping channels as I drive. It would be a shame that the XM radio ceases to exist.
